Fall 2019

Dear Potential Sponsors,

The 154 members of our 7 Dakota High School Choirs are off to a fantastic year! The talent and passion of this year's choirs are thrilling to see! Choir gives students an amazing sense of teamwork, boosts their self-confidence, and benefits our community! Through music, students travel the world, explore culture, and develop an appreciation for text and sound. They work hard to perfect their art, and they love to perform it for family, friends, the community, and beyond. Every other year, students are given the opportunity to travel to another city. In Spring 2014 we traveled to Honolulu, Hawaii; in Spring 2016 we were able to perform in New York, NY; in Spring 2018 we sang in New Orleans — and this year we plan to return for performances in New York, NY!

Our students put on spectacular concerts, compete in choral competitions, and participate in festivals throughout the year. With their high level of musicianship and commitment to quality, the results are often “superior” rankings, complimentary reviews. The costs of running such a successful and rewarding choral program are very high. , and even *perfect scores* from judges. While we as directors and choir families generously donate our time to help prepare our students for events, we are also seeking sponsorships to offset some of the expenditures. Your generous donation will make you an *official sponsor* of Dakota High School Choirs, and it will assist us greatly in continuing to provide a high-quality program for our students. Your donations will help with our choir expenses *and* help fund part of our trip to perform later this year. Your donation is tax deductible! We thank you in advance for your generous support. If you have any questions, please contact Lori Lenkevich, sponsorship coordinator, at (586) 873-1323, or at Lenkevich2@aol.com.

Sincerely,

The Dakota High School Choirs & Families
